### **ADMISSION POLICY:**

The general criteria for admission are:

1. High School Diploma or successfully complete the institutional application which demonstrates language proficiency and aptitude for success in the program and career, which determine whether the student is a qualified candidate for admission to the program
2. Student must pay all applicable fees, as per the current published fee schedule at the time of the signing or entering into an enrollment contract or make other arrangements acceptable to the school.
3. Provide a copy of their driver's license
4. Must be 17 or older

#### Recognition of Credit Policies

1. This institution does not award credit for satisfactory completion of CLEP or other comparable challenge or achievement examinations. This institution does not award credit for experiential learning.
2. This institution has not entered into an articulation or transfer agreement with any other institution.

#### Transfer Students

KZ Academy does not have a maximum credit hour limit requirement for transferring credit. Tuition credit is \$6.20 per hour for the 1000-hour Cosmetology program, \$6.20 per hour for the 1000-hour Barbering program, \$9.80 per hour for the 400-hour Manicurist program, and \$8.36 for the 600-hour Esthetician program. Transferring students are accepted after careful evaluation and a review of the student's previous academic records. Each transfer student will be evaluated on an individual basis in both theoretical and practical knowledge. The student must obtain an official transcript of hours from his/her State Board in order to be given proper hourly credit. Once the transcript is received, the student must then be evaluated in order to validate the hours. All accepted transfer hours will be applied at the end of all required training. A written and practical test is administered. KZ Academy will inform the California Board of Barbering and Cosmetology regarding the total numbers of hours for which the student will receive.

Tuition will be pro-rated on a per-hour basis. The transferring student will pay tuition at an hourly rate for the remainder of hours required by the California Board of Barbering and Cosmetology for the course in which the student is enrolled. KZ Academy endeavors to place students into classrooms according to educational experience and hour requirements; however it cannot be guaranteed that individual curriculum deficiencies will be addressed.

Applicants with previous hours from another California cosmetology school who wish to enroll at KZ Academy must submit a written request during the admission process along with a Proof of Training and Record of Withdrawal from the previous California school.

If an applicant is transferring from another state, they must first contact the California Board of Barbering and Cosmetology (BBC) and receive an application for approval of their hours from their previous school.

The documents required for this process can be found on the California BBC website ([www.barbercosmo.ca.gov](http://www.barbercosmo.ca.gov)). The California BBC will then issue a letter indicating the credit it has approved for the hours taken at the previous school along with any other requirements.

Failure to provide the required documentation of previous training in either circumstance prior to enrollment will result in not being able to apply those hours that could be accepted toward your enrollment at KZ Academy.

Please note:

KZ Academy, at which the applicant is seeking admission, will make a final decision of acceptance based on the information in the California BBC's letter.

## **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION:**

The transferability of credits you earn at KZ Academy is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma/certificate you earn in the program is also at the complete discretion of the institution to which you may seek to transfer. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending KZ Academy to determine if your diploma/certificate will transfer.

## **STUDENT'S RIGHT TO CANCEL**

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation is effective on the date written notice of cancellation is sent by email to Makara Vu, [info@kzacademy.com](mailto:info@kzacademy.com). Written notices may also be delivered in person to Makara Vu, [info@kzacademy.com](mailto:info@kzacademy.com), or mailed to the school's administrative office, care of Makara Vu, at KZ Academy 1221 E. Calaveras Blvd. Milpitas CA 95035. Notice of cancellation must be in writing. All records pertaining to the student's cancellation and refund issuance will be retained in the student's file, and the student will be added to the institution's cancellation log records, to include the student's name, address, telephone number, personal email address, date of cancellation and refund amount.

## **WITHDRAWAL POLICY**

### Withdrawals Initiated by the Student

A withdrawal for the current period of attendance may be effectuated by the student's written notice sent by email to Makara Vu, [info@kzacademy.com](mailto:info@kzacademy.com). Written notices may also be delivered in person to Makara Vu, or mailed to the school's administrative office, care of Makara Vu, at KZ Academy 1221 E. Calaveras Blvd. Milpitas CA 95035. Notice of withdrawal must be in writing. If a student provides a verbal withdrawal notice in person or over the phone, the institution shall send a follow-up written notice via email to the student affirming their verbal withdrawal and the date the verbal withdrawal was made.

The effective date of the student's withdrawal shall be the date it is received by the institution.

### Withdrawals Initiated by the Institution

Withdrawal for the current period of attendance may also be brought about by the student's conduct or lack of attendance. This is referred to as an "administrative withdrawal" and will be effectuated by the institution's written notice to the student, which is to include the reasons for administrative withdrawal and the effective date of the administrative withdrawal. For students who are administratively withdrawn due to lack of attendance, the effective date of the administrative withdrawal shall be the student's last date of attendance.

Students attending programs at our institution may be administratively withdrawn for the following reasons:

- Disruptive and/or offensive and inappropriate behavior in class or outside of class to fellow classmates and/or faculty and staff
  - As the result of an investigation of plagiarism and cheating in which it was concluded the student did commit such actions
  - Being absent for more than ninety (90) consecutive calendar days with no communication with the school to excuse the absences or otherwise seek to arrange a leave of absence
- All records pertaining to the student's withdrawal and refund issuance will be retained in the student's file, and the student will be added to the institution's withdrawal log records, to include the student's name, address, telephone number, personal email address, date of withdrawal and refund amount.

## **REFUND POLICY**

What follows is the sole refund policy for this institution. No other refund policy shall be enforced other than this policy, as specified in our institutional catalog and enrollment agreement.

### Timing and Documentation of Refunds

This institution shall refund any credit balance on the student's account within 45 days after the date of the student's cancellation of, completion of, or withdrawal from, the educational program in which the student was enrolled. This institution shall provide the student with documentation specifying the amount of a refund, the method of calculating the refund, the date the refund was made, and the name and address of the person or entity to which the refund was sent, as well as the payment

method of refund (check, cash).

### How Refunds are Calculated in the Event of a Cancellation

If a student cancels their enrollment according to the Cancellation Policy, this institution shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee, not to exceed two hundred fifty dollars (\$250), as specified in the catalog and enrollment agreement. Any fees collected related to the Student Tuition Recovery Fund shall be refunded. Any fees collected for educational materials otherwise noted as nonrefundable shall also be refunded.

### How Refunds are Calculated in the Event of a Withdrawal

A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:

{A) The amount of the refund owed to the student equals the total charges paid by the student, minus the daily or hourly tuition charge for the program (total institutional charge minus any non-refundable charges, divided by the number of days or hours in the program), multiplied by the number of days or hours the student attended prior to withdrawal, and minus any non-refundable charges. Any hours or days prior to the student's last day of attendance for which the student was scheduled to attend but was absent shall be included in the calculation of days or hours attended.

All amounts that the student has paid shall be subject to a pro rata refund unless the enrollment agreement and the refund policy outlined in the catalog specify a non refundable deposit or application fee, not to exceed two hundred

fifty dollars (\$250), or non-refundable amounts paid for educational materials, or both. This institution does charge both a non-refundable deposit as well as non-refundable amounts paid for educational materials; these amounts are specified in our Charges and Fees section in the catalog and on the student's enrollment agreement. Please refer to the Fees section of the catalog and the enrollment agreement for an itemization of charges that are non-refundable as part of a pro rata refund, as well as a description of the conditions under which those items may or may not be refundable (for example only: fees for hard-copy textbooks could be deemed refundable on a case-by-case basis if the materials are returned in a reuseable and unsullied state).

#### Refunds to 3rd Party Payors, as applicable

If a refund is made to a third party on behalf of a student who has cancelled or withdrawn from their enrollment in an educational program, the institution shall provide the student, within 45 calendar days after the date of cancellation or withdrawal, a written notice, as described in section 71920(b)(10), in hard-copy or electronic format, itemizing the amount refunded to each third party, the name of the third party, and the date of each refund, as applicable.

#### Refunds of Payments Collected and Payable to 3rd Party Entities, as applicable

If this institution has collected money from, or on behalf of, a student for transmittal on the students behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party or has not yet been billed or invoiced by the third party at the time of the students cancellation or withdrawal, the institution shall refund the money to the student within 45 calendar days of the students cancellation or withdrawal.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

#### **PLACEMENT:**

Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, student names are recorded in the student registrar and the process of follow-up begins. When students take the licensing examination, their results are recorded as a pass or fail. Students are encouraged to return for placement assistance by reviewing the listings of salons seeking employees and the requirements, salary, and other pertinent information. Students are sent on interviews and the results of these interviews are recorded in the student register. The school may show prospective students this register upon request. The institution assists students in placements as often as needed; however, the school does not guarantee placement to any student.

#### **STUDENT SERVICES**

This institution does not provide orientations, airport reception services, housing assistance or other services but does provide Career Development Services. From your first day in class, career development services are available to assist students. The institution provides students with job placement assistance, in addition to in-school workshops on resume writing, interview skills and developing customer service skills.

#### **LANGUAGE OF INSTRUCTION**

Instructions will be provided in the English language.

#### **Language Proficiency**

General knowledge of English, written and spoken, is necessary to participate in our programs. The reasonable level

of language proficiency required to succeed in our programs has been determined to be a reading and writing ability equivalent to the 10th grade level. This level of language proficiency is evidenced by our prospective students' successful completion of our application, which includes spoken discussion in response to questions and a short answer writing response designed to demonstrate the student's sufficient language proficiency. A student's level of language proficiency overall in English will be determined using the United States Foreign Service Language Rating System, which uses the Interagency Language Roundtable (ILR) scale: students must demonstrate in conversation with admissions staff that they possess language proficiency which meets the qualifications of Speaking 3 (General Professional Proficiency) on the ILR scale.

### **English as a Second Language (ESL)**

This institution does not offer English as a Second Language ("ESL") training. All prospective students that are accepted for enrollment must be proficient in the English language.

### **LIBRARY and LEARNING RESOURCES**

No formal library is needed to meet the instructional needs of the students. General library materials would not be compatible with the objectives of this program as the acquisition of specialized knowledge and hands-on-skills are the essential elements for completion of the programs offered. A learning resource library containing many audio and visual aids, books, periodicals, magazines on styling, skin care, nail care, motivation, health and wellness is available for student's reference. Students may check-out reference materials by submitting a request to their instructor or a representative from the office.

## **SATISFACTORY ACADEMIC PROGRESS (SAP): STANDARDS:**

**This institution expects its students to maintain Satisfactory Academic Progress (SAP) as established by this institution, the student must:**

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ( $2/3 \times 30 = 20$ ).

Regardless of the average level of attendance, students who have more than three consecutive weeks of absences (21 calendar days) will be dismissed. This standard shall apply to all students except those on an approved **Leave-of-Absence** (see LOA policy). Students who expect to be absent 21 or more days, up to 60 days, are encouraged to request a Leave-of-Absence. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the "School Rules" section of this catalog on pages 10-11.

3. Complete the course within one and one-half (1½) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks.
4. Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint (50%) of the course to be considered as meeting satisfactory progress at the end of an evaluation period. A student will be considered to be making satisfactory progress until the next evaluation.

### **EVALUATION PERIODS For Cosmetology & Barbering Students only:**

Student compliance with the Satisfactory Academic Progress is divided into evaluation periods and is assessed at each of the following times:

- \* The point at which 25% of the course is scheduled to be completed;
- \* The point at which 50% of the course is scheduled to be completed;
- \* The point at which 75% of the course is scheduled to be completed;
- \* The point at which 90% of the course is scheduled to be completed;

At the point of actual completion, or at which each additional 400 clock hours are scheduled to be completed, beyond graduation date.

**Example:** For the 1000 clock hour Cosmetology course, a student will be evaluated at the increments in which the students is scheduled to reach 200, 400, 600, and 800 clock hours, if applicable; at the point of which the student is scheduled to reach an additional 200 clock hours beyond scheduled completion, or at actual completion.

**Evaluation periods for the Skin Care (Esthetician) and Nail Tech (Manicurist) Programs** the evaluations will be performed as follows: The point at which 45% of the course is scheduled to be completed; the point at which 90% of the course is scheduled to be completed;

**Example:** For the 400 clock hour Nail Tech program a student will be evaluated at the increments at which the student is scheduled to reach 180 and 360 clock hours.

**Special Note:** The percentage of the course scheduled to be completed is defined according to the terms of the enrollment agreement. Example: A student enrolled at 100 hours per month would be scheduled to complete a 600 hour course in 6 months, a 400 hour course in 4 months and a 1000 hours course in 10 months, allowing no absences.

For example a student enrolled in a 25 weeks, 1000 clock hour program would be evaluated for SAP after the 5th week, the 10th week; the 15th week and the 20th week. These dates would correspond to the point at which the student was scheduled to have completed 200, 400, 600, and 800 clock hours. In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 400 clock hours, or at the time of actual completion of the remaining hours, whichever occurs first.

**ACADEMIC PROBATION:** Students who fail to meet SAP standards during a given evaluation period will be placed on academic/or attendance probation for one additional evaluation period. Students remain eligible to receive aid during the probation period and will be considered as making SAP progress during the probationary period. Probationary students who fail to meet SAP by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or attendance progress and may be terminated at the discretion of the institution. In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply. Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation.

**APPEAL PROCEDURES:** Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's Chief Academic Officer at 1221 E. Calaveras Blvd. Milpitas, CA 95035. The letter should be received within (5) days of termination and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The administrator shall evaluate the appeal within a reasonable time frame (5-10) days and notify the student in writing of the administrator's decision. The decision of the Chief Academic Officer shall be final. Students that prevail upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined as making satisfactory progress will be re-entered in the course. Students accepted for re-entering the program, who previously were not making satisfactory progress, must attain satisfactory progress status by the next scheduled evaluation within the evaluation probationary period time frame.

**COURSE INCOMPLETE:** Incomplete coursework, repetitions, and non-credit remedial courses are not applicable to this institution's form of instruction.

**LEAVE OF ABSENCE:** Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program for up to 60 days. An LOA must be requested in writing by the student and delivered to the Chief Academic Officer at 1221 E. Calaveras Blvd. Milpitas, CA 95035 and must be approved by the Chief Academic Officer.(CAO) An LOA request form must be filled out and the date of leave and return date must be stated on the form prior to the CAO approving the LOA. Do not request a Leave of Absence unless you absolutely need one. Under no circumstances can the school grant more than a single (1) LOA within a 12-month period. Students on an LOA will not be assessed any additional charges of tuition or fees. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from an LOA will have his/her maximum time frame to complete the course extended by the same number of days as the leave of absence. Students who fail to return from an LOA will be considered dismissed as of the last class day of attendance prior to the start of the leave and the refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and paid within 30 days.

**GRADING SYSTEM:** Students are evaluated on a regular basis on theory and practical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the Cosmetology students at 25%, 50%, 75% and 90% of the course hours scheduled to complete. All other courses consisting of 600 hours or less students are issued evaluation forms at 45% and 90% of the course hours scheduled to complete. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

<b>ACADEMIC GRADING</b>	<b>POINT GRADES FOR PRACTICAL WORK</b>
100% - 95% A...Superior Performance	(GPA 4) 4 POINTS = A
94% - 85% B...Above Average	(GPA 3) 3 POINTS = B
84% - 75% C.....Average	(GPA 2) 2 POINTS = C
74% - 65% D.....Unsatisfactory	(GPA 1) 1 POINTS = D
64% - 00 % F...Fail	(GPA 0) 0 POINTS = F

**STUDENT CLOCK HOUR POLICY:** The Bureau of Barbering and Cosmetology recognizes clock hours that are determined by time-clock punched hours of attendance. As a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. Students are given up to seven (7) minutes to clock in and receive credit for the quarter ( $\frac{1}{4}$ ) hour. This seven minute period applies to the start of the class day. A thirty (30) minute lunch break is taken when a student attends a minimum of a 6 hour class day or more. If you are attending less than a 6 hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom.

At the completion of the day, your time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly time card. The time card must be signed by the student and the instructor's daily. Instructors may not sign a student in or out and if a student does not clock in our out at lunch 30 minutes for lunch will be deducted.

Time cards reflect the student's daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. School administrative personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. The time cards are the property of the school and must remain in the school at all times. Time cards must be retained/stored in their entirety for 5 years by the school.

After clocking in students are required to maintain applied effort, personnel grooming, leaving the building, and reading material not related to your training or activity not related to your training is not tolerated. If any of these infractions occur students will be asked to stop such activity, or to punch out for the remainder of the day. Continued activities of this nature could result in termination.

**TIME CARD CREDIT:** The following is a guideline for the instructor to issue credits.

- Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.

- The portion of the time card reflecting hours are in Theory hours earned and any classes the instructor has demonstrated.
- The portions of the time card concerning operations are to be applied efforts of the students as they manually perform practical subject.
- Some practical operations may take longer to perform according to the student. Note the following time frame the Program gives for each operation: Shampoo/set =1 1/2 hours, Scalp Treatment = 1/2 to 1-hour, Permanent Wave =2 to 2 1/2 hours, Facial =1 1/2 to 2 hours, Manicure = 1/2-hour, Hair cut = 1/2 to 1 hour. Using this guideline, the Barber/Cosmo Bureau would understandably not consider a student capable of performing more than three permanent waves per day.

This institution is a private institution approved to operate by the California Bureau for Private Postsecondary Education.
